Synthetic Colors

Custom Color Blending & Color Matching for All Industries

Gold Coast Ingredients is here to help you select the most compatible color for your products.

Our colors add vibrancy, diversification and character. Create a custom color for your one-of-a-kind product or match the specific holiday, sports team, nature or food-resembling color you have in mind.

At GCI we offer a complete range of synthetic:

Reds - Pinks

Yellows

Browns

Blues

Oranges

Black

Purples

Greens

White

Available in preferred forms:

Powders

Liquids

Emulsions
