

Confectionery Flavors

Preferred By Those
Who Know the Difference

We here at GCI take great pride in our products and the way we do business. With us you will find Organic, Natural, Non-GMO and Conventional flavors that take your most delicious ideas and translate them into a universal language for the world to enjoy. As a leader in the Natural and Organic flavor industry, we are constantly finding innovative methods to achieve the perfect synergy between the precision of food science and the craft of artesian flavor creation, while consistently providing you with unsurpassed customer service.
