

Custom Flavors & Functional Ingredients

GOLD COAST™
ingredients, inc.

Gold Coast Ingredients is a wholesale flavor and color manufacturer capable of serving all types of industries from food and beverages to animal treats and oral care.

With us you will find Organic, Natural, Non-GMO, Allergen-Free, N&A and other flavors available as liquids, powders, powder encapsulations, emulsions and advanced extractions.

In addition to flavors and colors, Gold Coast formulates custom **taste and appearance modifiers**, as well as **sensation intensifiers** to compliment various applications.

Find a complete list of these ingredients on the back of this page

Taste *Modifiers*

Enhance sweetness or mask bitterness, sourness and other undesirable tastes

Appearance *Modifiers*

Add opacity or foaming to alter appearance

Sensation *Intensifiers*

Excite consumer sensations by adding warming, cooling or tingling effects to your products

Common applications:

juice, tea, supplements, herbal beverages, dairy beverages, reduced sugar and sugar-free products, coffee creamer, baked goods and more

Browse through over 2,000 sweet and savory flavors at www.goldcoastinc.com
