Certifications

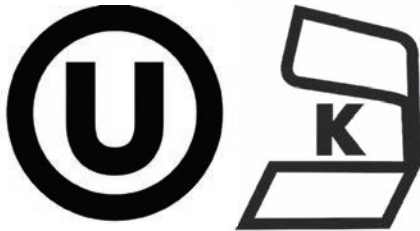

GLOBAL FOOD SAFETY INITIATIVE IFS FOOD CERTIFICATE

Gold Coast is certified by International Featured Standards (IFS) Food, a world recognized standard of third-party auditors. IFS Food is a **GFSI accredited auditor, equivalent to Safe Quality Food (SQF) and BRC Global Standards**. This audit sets strict requirements on internal areas including Senior Management Responsibility, Quality and Food Safety Management Systems, Production Processes, Measurements, Analysis, Improvements and Food Defense.

HALAL CERTIFIED

Gold Coast is Halal certified by the Islamic Services of America (ISA) because we are dedicated to providing consumers with high quality Halal products that are guaranteed to meet Shariah standards. ISA is an internationally recognized certifier and is the only recognized Halal certifier for all categories of consumables.

KOSHER CERTIFIED

Gold Coast is kosher certified by the world's largest and most recognized certifier, the Orthodox Union. Being OU kosher certified means that GCI products are produced to the highest worldwide standards.

Gold Coast is also kosher certified by KOF-K Kosher Supervision. KOF-K is an internationally recognized certifier and meets the highest level of Kashrus (Kosher law).

CERTIFIED ORGANIC

Certified Organic means that a non-profit, state or private certification organization, accredited by the United States Department of Agriculture (USDA), has verified that products labeled as organic meet strictly defined organic standards. At Gold Coast Ingredients, our products are certified by Quality Assurance International (QAI). QAI is an **ECOCERT equivalent** and it meets international (IFOAM) standards of organic accreditation. This assures that our clients are receiving traceable, reliable products from origin to plate.
